

Guru Nanak College, Budhlada
Consolidated Report of Study Tours/Field Visits
During 2017-18 to 2021-22

Introduction

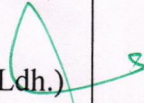

Educational tour / field visit is of great fun for students besides being a good learning experience. The Various Departments of Guru Nanak College, Budhlada organize Study Tour/ Field Visit to promote academic interest of learners towards the respective subjects. College provides an excellent learning experience to the students of all faculties by arranging study tours and field visits to various industries, scientific institutes, and field sites. Students are nurtured with the off campus experience and basic knowledge of their respective subjects by participative and experiential learning.

Objectives

- To provide participative, experiential and evidence based learning experience.
- To familiarize students with local and global issues.
- To enhance thinking ability of learners.
- To understand basics of functioning of the industry.
- To inculcate human values among students.
- To understand socio-economic issues and cultural aspects.
