

**ACTION TAKEN REPORT OF SURVEY REGARDING ATTAINMENT OF  
PROGRAMME AND COURSE OUTCOMES**

**Academic Year 2018-19**

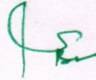

**Feedback outcome:**

1. Academic/ extension activities should be more helpful in the enhancement of students' personality.
2. Laboratory works should be more relevant to students' future life.
3. Course content should be easy and fluent to understand.

**Action taken**

1. Numerous Academic/ extension activities like seminars, workshops, guest lectures, educational tours and industrial visits have been organized by college for student's overall development in their field.
2. Special attention has been given to improve practical knowledge of students and various real life based experiments/projects has given to them in laboratory as well as field. Definitely it will help them in their future endeavors.
3. Teachers have been instructed to use straightforward methodology and examples related to their subject so that student can easily understand the topic.
