NAAC - SSR - Cycle - II

## Activity outcome

**Description and Outcome:** Essay Writing Competition on Waste Food disposal and its impact on Environment was organized by the Department of Food Processing. Students of Food Processing department actively took part in this competition. They gave their views on various waste disposal methods used by the industries and their adverse effects on environment. Dr. Tanupreet Kaur (Assistant Professor, Department of Mathematics) and Dr. Sangeeta (Head and Assistant Professor, Department of Food Processing) were the judges of this event. They declared the winners and appreciated the winners as well as participants. After the competition, participants are able to aware the society about disposal methods of food waste and its impact on environment.
