ANTI-RAGGING GRIEVANCE

Guru Nanak College, Budhlada-151502, Punjab

As the college students are well aware that Govt. of India and State Govt. of Punjab have effectively restricted the ragging of recently and newly admitted students in all educational Institutions. According to "Regulation on curbing the menace of ragging in higher educational institutions, 2009" and Hon'ble Supreme Court of India a strict disciplinary move is to be made against the students enjoying ragging of their newly admitted junior students. These actions include expulsion from the institute and mess/hostel or fine with a public statement of regret or retaining of scholarships, free ships or other advantages, debarring from participation in college events, occasions, industrial visits, trainings, campus placements considering inclusion of any senior student in ragging of the first year students of the Institutions in the earlier years. UGC guidelines 2009 and Hon'ble Supreme Court of India has coordinated the concerned Institutions/Universities to make prompt strides for the prevention of ragging in future. In this manner, the following procedures, mechanisms and techniques are embraced by the organization to control ragging among the students:

- It is clearly mentioned in the college prospectus that ragging, in any form, is completely prohibited in the institution, and anyone found guilty of ragging is liable to be punished as per norms.
- Notices and warnings regarding ragging are put up at various places in the campus.
- An undertaking letter is filled up by the students and their parents/guardians in regard of the prohibition and results of ragging.
- Centralized Anti Ragging Grievance along with departmental Anti Ragging Grievance sorts out a meeting at the beginning of the college academic session for prevention of ragging in campus.
- Anti Ragging Grievance along with departmental Anti Ragging Grievance under the supervision of Principle, organizes anti ragging campaigns inside the institute through posters, banners, activities and lectures.
- College Anti - Ragging Grievance arranges awareness drives, posters, banners in the college campus and hostel to spread awareness regarding ragging.
- A team comprising of faculty from various departments stays watchful in all academic blocks, cafeterias, playgrounds etc. to prevent any kind of ragging. This team interacts with the senior and junior students to control ragging in college campus.

Rules & Regulations for Prevention and Prohibition of Ragging

The All India Council For Technical Education (AICTE), New Delhi vide its Notification no. 37-3/Legal/AICTE/2009 dated 25-03-2009 has taken a very serious view of ragging incidences in educational institutions and on Directions of the Hon'ble Supreme Court of India vide its Order dated 16.5.2007 has ordered strict implementation of following rules & regulations for Prevention and prohibition of Ragging in technical Institutions.

Various Types of Ragging

The Hon'ble Supreme Court has, inter-alia, mentioned the following types of ragging:-

1. Ragging has several aspects with, among others, psychological, social, political, economic, cultural, and academic dimensions.
2. Any act that prevents, disrupts or disturbs the regular academic activity of a student should be considered within the academics related aspect of ragging; similarly, exploiting the services of a junior student for completing the academic tasks assigned to an individual or a group of seniors is also an aspect of academics related ragging prevalent in many institutions, particularly in the technical institutions.
3. Any act of financial extortion or forceful expenditure burden put on a junior student by senior students should be considered an aspect of ragging for ragging economic dimensions.
4. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestured, causing bodily harm or any other danger to health or person can be put in the category of ragging with criminal dimensions.
5. Any act or abuse by spoken words, emails, snail-mails, blogs, public insults should be considered within the psychological aspects of ragging. This aspect would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to others; the absence of preparing 'freshers' in the run up to their admission to higher education and life in hostels also can be ascribed as a psychological aspect of ragging - coping skills in interaction with seniors or strangers can be imparted by parents as well. Any act that affects the mental health and self confidence of students also can be described in terms of the psychological aspects of ragging.
6. The human rights perspective of ragging involves the injury caused to the fundamental right to human dignity through humiliation heaped on junior students by seniors; often resulting in the extreme step of suicide by the victims.

The students who are found to be indulged in ragging should be debarred from taking admission in any technical institution in India.
2. Every single incident of ragging a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities.
3. Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following.

 - ii. Suspension from attending classes

4. The institutional authority shall intimate the incidents of ragging occurred in their premises along with actions taken to the Council immediately after occurrence of such incident and inform the status of the case from time to time.
5. Courts should make an effort to ensure that cases involving ragging are taken up on priority basis to send the correct message that ragging is not only to be discouraged but also to be dealt with sternness.
