NAME OF ACTIVITY: CELEBRATION OF SIKH ENVIRONMENT DAY

DATE: 21/03/2018

DESCRIPTION: Sikh Environment Day was celebrated on March 21, 2021 by Department of Religious Studies in collaboration with Department of Punjabi and Department of Agriculture in Guru Nanak College, Budhlada. Poster making and plantation drive was held to celebrate the day. This day is celebrated as Environment Day dedicated to the special contribution of the seventh Guru of Sikhs, Sri Guru HarRai Ji. At Kiratpur Sahib, Guru Sahib built a dispensary where the poor, needy and sick were treated free of charge. Under his supervision, many kinds of precious and rare native medicines were prepared from the blessed herbs of nature. The illness of Dara Shikoh, the son of Mughal Emperor Shah Jahan, was also treated with the medicines of his pharmacy, which were not found anywhere except in his pharmacy. On this holy land, six Guru Sahibs also planted trees on this land. The Sikh Gurus were very fond of animals. They enjoined Sikhs to respect all forms of life, including animals and plants. Students were very impressed by this celebration. About 28 students participated in this event.
